

Prerequisites

IBM Cloud Services

Team ID	PNT2022TMID13407
Project Name	Project – Real Time River Water Quality Monitoring And Control System

The screenshot displays the IBM Cloud Dashboard in a web browser. The browser's address bar shows 'cloud.ibm.com'. The dashboard header includes a search bar, 'Catalog', 'Manage', and the user's account 'Kaviya S's Account'. The main content area is titled 'Dashboard' and features a 'For you' section with six recommended tutorials: 'Build', 'Use Watson Studio', 'Get Started with Watson Studio', 'Build a web app with Watson Speech to Text', 'Use Speech to Text', and 'Use Text to Speech'. Each tutorial card includes a brief description, a 'Popular' badge, and an estimated completion time. Below the 'For you' section, there are four more categories: 'News' (with links to articles about Key Orchestrator, TrustRadius, and IBM Cloud Pak), 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status' (which includes a world map). The left sidebar contains various navigation icons for services like Cloud Object Storage, Cloud Functions, and Cloud KMS.
